## OCTOBER - NOVEMBER 2008 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust this latest update finds you well and enjoying the blessings of the Lord in every area.

Over the past couple of months I have ministered in Singapore, made two ministry visits to New Zealand, ministered in New South Wales and around Victoria. The Lord has blessed every meeting and there have been some powerful outpourings of the Holy Spirit. I had the privilege of speaking in one of the largest churches in New Zealand and also enjoyed a live interview on national Christian radio. I have spent time ministering in seminars, local churches, men's meetings and with key pastors and leaders.

We praise God for the many testimonies we have received from people who have been saved, recommitted their lives to the Lord and those who have been physically and emotionally healed. In some meetings the Lord has dealt with apathy and indifference, plus many have been set free from wrong attitudes and major fears in their lives.

In some meetings I have prayed for hundreds of people and specific testimonies have been received from men, women and children of powerful touches from the Lord. Numerous people have been instantly healed from pain in their bodies, eyes have been healed, shoulders and necks have regained full mobility. One lady was able to walk properly after receiving healing on her foot and ankle. One man had been unable to move his arms for a long time but was instantly healed and regained full mobility. One lady shared how she had been physically healed in her shoulder, hip and stomach, and had also been totally set free from all anxiety. Prophetic words have been given and many have shared how the Lord had addressed where they were presently at.

I've also had many opportunities to minister one on one with leaders and people in 'everyday life'. In New Zealand I was being driven to the airport by a taxi driver. As we chatted the Lord gave me a word of knowledge that she had walked away from Him. She responded very positively, agreeing that she needed to get her life right with God again and I was able to recommend a church to her.

People came in large numbers to receive aid

The work in Kenya continues to expand at a dynamic rate. As you know we have been able to feed thousands of people during the most recent drought in Northern Kenya. The number of Pastors and Leaders seeking to work with us is also increasing dramatically. Please pray that we will know great wisdom and provision as we seek to serve the wonderful people in Kenya.
