

December 2012—January 2013 News Update

Ministry Report...

It has been another busy few weeks.

Praise God for all he has done as I have ministered in Australia and the USA. It has been a privilege to speak in church meetings, at a Student Camp and at leadership gatherings.

There have been many wonderful times where the Holy Spirit moved simply and powerfully among us, with numerous people being refreshed, impacted and encouraged.

In some meetings I felt led not to preach as the Holy Spirit moved so powerfully among us. Words of knowledge flowed and people were healed and released from varying issues in their lives.

There has also been a good flow of prophetic ministry

with words addressing situations in people's lives.

A young lady who had been suffering back pain for several months was instantly healed and able to move freely without any pain or restriction. A woman shared how she had seriously injured her knee in an accident. After prayer she was freed from pain and able to move the knee freely. Another lady was instantly healed from debilitating migraine.

In some meetings we have just stood together and enjoyed the flow of the Holy Spirit. After those times people have testified that fears and worries lifted off them. Many shared how they had sensed a "reconnection" to God and a fresh awareness of God at work in their lives.

I was blessed to minister at a Student Camp. The young people were so hungry to encounter God, and he didn't disappoint them.

They already had a passion to impact the lives of their friends, peers and families, and the time at the camp further inspired and equipped them to allow, and expect, the Holy Spirit to overflow in their normal everyday lives.

We praise God for all he has done this year and know that even greater things lie ahead.

We trust you will enjoy a wonderful time of rest and peace this Christmas, as we celebrate again the birth of Jesus Christ, the Son of God, Saviour of the world. Prince of Peace. Emmanuel. God IS with us!

Family News...

Our entire family is such a blessing to us and we praise God for our children and their partners, along with our three marvelous grandsons.

Please keep them all in your prayers as they battle various health issues.

Our beautiful grandsons chillin' out on a warm day in Melbourne.

Please pray for both our Mums. Mum Cairns has been declared 'visually impaired' and is working through all that means.

Mum Wheaton is having several health issues, and needs a powerful healing touch from the Lord.

Praise and Prayer...

Praise God:

For many people saved, healed and impacted by the power of the Holy Spirit.

For the people who sponsor children in the Children's Homes and for all those who support our projects and programmes in Africa.

For the faithfulness of the Lord throughout the year, as he has provided for us, kept us in good health and privileged us to work with, and for, him.

Please Continue to Pray:

For financial breakthroughs in all areas of our Ministry. This time of year is often challenging financially

for JCM and those we work with BUT.... we know that our faithful God will supply all our needs.

Our 12 year old car is definitely in its final phase of life :(Please pray for a financial release to enable us to purchase another vehicle.

For wisdom as we continue to finalize our 2013 itinerary.

African Leaders Christmas Support....

We have many ongoing projects in Africa as we seek to help as many as possible come out of poverty.

We work with churches and leaders in several nations, and at this special time of the year we would love to give additional support to leaders who are faithfully serving the Lord,

often under very extreme conditions and at considerable personal cost.

If you would like to partner with us as we bless as many leaders as possible, we would love to hear from you.

We will need to transfer finances very soon if we are to ensure they arrive before the African banks close for their extended Christmas holidays.
