

February—March 2013 News Update

Ministry Report...

Happy New year! We hope you enjoyed a blessed and refreshing Christmas time.

We trust the year has started well for you. It is hard to believe that we are already at the end of the first month of this new year.

Here in Australia we have been having some very hot temperatures. A bush fire broke out at the end of our street a couple of weeks ago but, praise God, was brought under control relatively quickly (within 90 minutes) by several hard working firemen.

During December and January I had the pleasure of ministering in churches in Victoria and New South Wales. Praise God for the people who shared how their lives were impacted by the Holy Spirit.

In several meetings people made decisions to become followers of Jesus Christ. Many testified how they had been freed from fears and anxieties.

It was a blessing to hear testimonies from people who had received a new sense of joy and peace in their lives.

There has been a good flow of prophetic ministry to churches, and also to individuals. People have shared how the Lord has encouraged them, and spoken clearly and directly into their lives.

One man was sobbing with joy as he shared with me how he had come to the meeting intending to give up on life but was leaving the meeting with a new sense of hope, peace and purpose. Praise God!

In several meetings the Holy Spirit has flowed freely among us, impacting people in various ways. Dozens have stood, sat or laid at the front of halls as healing, peace deliverance, and joy were poured out.

As we move into this new year I am believing for an increased outpouring of the Holy spirit. For lives to be changed. For bodies to be healed. For people to be empowered. For the Church to live with an even clearer understanding of our true identity and mission in Jesus Christ.

In February and March we will be ministering around Victoria, interstate and also in New Zealand and England. Looking forward to seeing many of you and believing for the Lord to do great things.

Family News...

Although Heather and I have both worked during this holiday season, we have enjoyed spending plenty of time with our family.

We are so blessed to have such a wonderful, caring and fun loving family.

Sadly, nearly of all them have had health battles in recent weeks, but we

praise God that they are all

doing much better now.

We value your prayers for them all, as well as both our Mums, as they have various ongoing health issues.

Heather and I are both well and really looking forward to a few days holiday in February.

Praise and Prayer...

Praise God:

For a blessed and dynamic start to the new year.

For many people impacted in the meetings by the power of the Holy Spirit

For the increasing excitement and anticipation we have of all the Lord

intends to accomplish this year.

Please Continue to Pray:

For financial breakthroughs in all areas of our Ministry. We see so many needs, not just in our Ministry but in the lives of many we have the privilege of working with. BUT.... we know that our faithful God will supply all our needs.

For a new vehicle. Our 12 year old car is definitely in it's final phase of life. Although we have received some gifts we need a major financial release urgently to enable us to purchase another vehicle.

That as we continue to finalize our Ministry schedule, we will know the clear leading and guidance of the Lord.

Training & Equipping Seminars

A major desire and goal for us at JCM is to help train and empower people for their journey with the Lord.

As part of our Mandate, from time to time we organize Seminars that are specifically geared to helping equip people to live for Jesus Christ in their everyday activities.

These Seminars cover various aspects of Christian life and usually run on a Saturday from 9 30 am to 1 30pm.

This year we are planning to conduct a couple of these seminars in the West of Melbourne and also in the South East of Melbourne. We have currently arranged to run one of the

seminars on Saturday 25 May in Altona and one on Saturday 1 June in Frankston.

Further details will be available soon. If you would like to be kept up to date with our seminar plans please email us and we will keep you well informed.
