

# JOHN CAIRNS MINISTRIES

Equipping people to be victorious disciples of Jesus Christ

June-July 2014 News Update

## Ministry Report

### Our Mission: Love God, Love, Serve and Encourage Others

Praise God for ministry in the past few weeks in Australia and the Philippines. It has been very exciting to see the Lord touching lives through the ministry of the Word and in the power of the Holy Spirit. We have received testimonies from people who have been healed physically and emotionally. Many have shared how they have found a new joy and passion to serve the Lord as they listened to, and applied, the Word.

In the Philippines I enjoyed a weekend of ministry in Manila then flew south to share with pastors and leaders from our Leaders Network. It was a powerful few days as we encountered God in the meetings and our times of fellowship. Several received prophetic words which encouraged them and spoke directly into their own lives and their local church situations.

The "Healthy Life" seminar went really well as we were reminded that the Lord desires us to be well and whole in every area of our lives. If you would like us to share this seminar in your church please feel free to contact us for further details and information. This 3 part teaching series is now available on CD and can be ordered through our web site.

We are so grateful to the Lord as the Ministry of JCM continues to expand and increase in influence and impact in Australia and other nations. There are many ongoing developments. Growth is always exciting but is generally accompanied by new challenges! However, we have always seen God faithfully provide as we keep our focus on Him. Trusting you will know the blessings and provision of the Lord in every area.

## Sponsorship

It is exciting to see our Sponsorship programme continuing to grow. Recently we welcomed a new Sponsor to our team of Far and Wide Children's Home Supporters.

We have uploaded to our web page a new video of the children at Siritanyi Children's Home for you to enjoy. You will find this at [www.johncairns.org](http://www.johncairns.org) under the 'Africa' tab. Also on our home page we have video footage of some of the beneficiaries of our micro-finance program celebrating with Pastor John on his recent visit.

Thank you to all who have supported Lydia from Siritanyi Children's Home in prayer over the last couple of weeks, praise God that she is doing well and returning to full health.
