Dear Friends and Family,

Praise God for all he is doing through JCM. In the past few weeks I've had the privilege of ministering in churches around Victoria, and in New Zealand. It has such been a blessing to see the Lord save, heal and also prophetically impact many lives. Several testimonies have been received from people who were physically healed, as well as many who received freedom from various issues. We are grateful for several new key ministerial relationships that are being formed. These are exciting and challenging times. Over the next few weeks I will be travelling to England, Africa and New Zealand, as well as ministering around Melbourne. We continue to believe for Individuals and churches to be impacted by the power of the Holy Spirit as we seek to glorify God and advance His Kingdom.

Malawi Visit

At the beginning of June, John visited Malawi. He spent time with pastors and leaders from Leaders Network International and spoke at conferences. He met with all the workers and children at Far and Wide Children's Home. He also spent a couple of days with leaders in South Africa.

JCM team will be travelling to Kenya, East Africa early next year. We will be ministering with churches and Leaders, as well as holding a Conference for leaders who are members of our Leaders Network International family. Time will be spent visiting several beneficiaries of our Microfinance programme. During our visit to Kenya we are also planning to complete some practical projects at Siritanyi Children's Home along with working on some other church projects, including the new Community Centre pictured on Page 1. If you are interested in joining the team, or wish to support the team in a practical way, please contact Rachel Habgood at Rachel@johncairns.org
