## NOVEMBER 2006, NEWS UPDATE

Greetings in the mighty name of Jesus from Melbourne. We trust this finds you well and enjoying the blessings of the Lord in every area.

The first three weeks of October I ministered around Melbourne but am now in the UK, having been in the USA for just a few days earlier in the month. In just a couple of days I will head to Malaysia. The Lord has moved powerfully with some dynamic outpourings of the Holy Spirit. Praise God for people saved and many making fresh commitments to the Lord. I was privileged to be part of a team involved in a Prophetic Presbytery where the Lord ministered powerfully, and directly, to many leaders.

In the meetings there has been a great flow of the prophetic along with many words of knowledge. One concerned a person who had suffered a painful event at age 11 and had lived with major fear for many years. The person responded for prayed and a few minutes later was the first to put his hand up to be saved, Praise God!

Testimonies have been received of pain leaving bodies, kidneys healed, parts of a face being healed from pain and immobility and several have shared how they have been freed from fears and the pain of emotional trauma.
