

## April / May 2012 News Update

### Ministry Report...

Praise God for another busy and fruitful couple of months.

I have had the privilege of ministering in Melbourne, New Zealand, Sydney and Kenya. There have been so many powerful meetings and times where we have encountered the dynamic presence of the Holy Spirit.

The Lord has moved very powerfully and excitingly in church meetings, youth gatherings, a church camp, and in one on one times with leaders. The Holy Spirit has been released in corporate leadership times and in our recent Kenya Conference.

Praise God for the many people saved and making commitments to follow the Lord Jesus Christ. In the meetings several followers of Jesus have realized their

lethargic attitude towards pursuing him and have made a fresh commitment to put him first in their lives.

There have been many testimonies of people being physically healed from back pain, ear and eye problems, stomach complaints and several other health issues.

It has been exciting to see the flow of Words of Knowledge, along with prophetic words, which have addressed specific areas in lives.

In Seminars people have responded enthusiastically to the teaching. Several have shared how they have been encouraged as they were reminded they can clearly have a positive impact and make a definite difference in everyday life.

My time in Kenya was powerfully blessed by the Lord and I praise God for all that he accomplished. Soon I will be sending out a separate report on that trip, as there are so many things to share with you.

The next couple of months will be a busy time and we appreciate your prayers that the Lord will give wisdom, strength and grace as we continue to believe for Him to dynamically impact many lives for His glory and the advancement of His Kingdom.

At this Easter time, let's ensure we remember, with gratitude, all it cost Jesus to bring us back into relationship with the Father, and rejoice as we consider his glorious victory through the Cross and his Resurrection.

### Fundraising...

We are really grateful to the individuals who seek to raise funds for our Ministry, especially our work in Kenya and other African nations.

Although the ongoing needs in Africa remain very challenging we believe

that, as we each do all we can, we are able to genuinely make a difference.

A very talented lady has produced a beautiful painting which we are seeking to auction to raise funds for our Missions work.

If you would like to help fund raise in some way, we would love to hear from you!

Please contact us at [admin@johncairns.org](mailto:admin@johncairns.org) with your thoughts, ideas and suggestions.

## Child Sponsorship.....

We are so very grateful to all who currently sponsor children in the Siritanyi Children's Home located in Bungoma, Kenya. Your gifts are quite literally life changing for the children.

Due to the continuing food and financial crisis Africa is suffering, SCH has taken in another 5 children. This means we now have 6 unsponsored children. Please pray and see if you

can commit to helping us care for these children in Kenya.

For some years we have also been working with a ministry in Malawi, the leader of which is a member of our Alliance International Ministries network. He has taken care of many children over the years and has an orphanage that is in need of some serious and major support.

We really want to support him in this vital ministry. At present he has 15 children who need sponsorship, with another 20 waiting to enter his Children's Home as soon as there sufficient finances.

We have recent photos of all the children, along with all their personal details and information.

## Family News...

We praise God for our beautiful family, who are a constant source of blessing to us.

Jonathan has started school and is doing really well. He is achieving good results in all areas. Matthew is doing well health wise, praise God. Simon is

going well at work and has just recovered from another ear infection. Please pray for him to have a major healing breakthrough in this area. Lyss is keeping very busy with two active boys!

Dave's work is keeping him on the

move, travelling to many places around Australia. Victoria is doing well in health and Noah continues to grow rapidly!

Heather is keeping busy with family, work and church commitments.
