AUGUST - SEPTEMBER 2008 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust this finds you well and enjoying the blessings of the Lord in every area.

During the month of July I ministered in Newcastle, Melbourne and Singapore. Praise God for the powerful times we have experienced as many have been impacted by the outpouring of the Holy Spirit. I have shared in new church “plant” situations, youth church and also in training and equipping seminars. It has also been a blessing to spend lots of time with Pastors and Leaders.

Testimonies have been received from people who have been physically and emotionally healed. One lady gave her life to the Lord in a meeting and was then instantly healed from major back problems. People have been healed from stomach conditions, eye problems and migraines. Many have also shared how they have been freed from emotional problems that have plagued them for many years.

The time of training and equipping in Singapore was wonderfully blessed by the Lord. Many people shared how the teachings had specifically ministered to them and also equipped them to better serve the Lord. Many received prayer to break off apathy and indifference to evangelism and people testified how they had been seeing the Lord at work through their lives in their everyday living. Many were set free from the fear of man and fear of rejection.

We continue to expand the resources available to help train, equip and encourage people. On our website, you are now able to hear some of our teaching on ‘Divine Healing’ and ‘Doing Exploits’.

Our work with Pastors and Leaders in Kenya continues to expand and increase in every way. We are now planning two Conferences in Kenya next year and would value your prayers for wisdom and provision as we seek to serve an increasing number of Pastors and Leaders in Kenya, and this whole region of Africa.
