## Ministry Report...

The last two months have been really blessed as I've had the privilege of ministering in Australia, Malaysia and New Zealand.

In the early part of June we held our Alliance International Ministries Melbourne conference. This was a great time as Pastors and Leaders met together to fellowship and encourage one another.

My time in Malaysia was really blessed by the Lord. I ministered at a Pastors retreat and, immediately after, a church camp. We had powerful meetings with ministry to many people. Testimonies have been received from people who received prophetic words which spoke directly to their situations. Many

have also shared how they were released from fears and anxieties, empowering them to move into a new place of boldness in the Lord.

I was privileged to minister at a youth conference in New Zealand. It was exciting to see hundreds of young people worshipping God, desperate to encounter Him in their lives. They were challenged to live unashamedly for Jesus in their everyday lives, recognizing that there will be challenges but knowing that the Lord will be with them to help them walk with confidence and faith. They were challenged to believe to impact the lives of people they connect with on a daily basis.

I spoke at Faith City Church in Wanganui and we enjoyed a great flow of the Holy Spirit as many were ministered to for various needs.

The meetings I have spoken at in Melbourne have also been really blessed by the Lord. Many people have received prayer to deal with sickness, anxiety and fears. Numerous people have shared how they have "reconnected with the Lord" and known a powerful touch on their lives. Many have shared how they have been healed from sickness by the Lord.

We are believing for powerful times as I minister in Australia and overseas in the coming weeks.

## Gifts for Change...

Our work in Africa continues to expand at an amazing rate. We are continually looking at ways to raise interest and finances in all that is happening particularly in Kenya.

One exciting new development is our Gift Card program. "Gifts for Change" offers you the opportunity to purchase a gift from the JCM Missions Catalogue which can change a life in Africa.

Suitable for any occasion the gifts you purchase from this catalogue will not only put a smile on the face of the recipient but they will make a lasting difference to the lives of those less fortunate in Africa.

For more information check out our website where you can also download a copy of the "Gifts for Change" brochure.

## Family News...

We are very excited that Dave has recently been promoted to National Training and Induction Manager with Repco. Please pray that He will know God's grace, strength and wisdom as he assumes his new responsibilities.

Please continue to pray for Victoria who is doing better but still has some challenging days with her health.

Simon and Alyssa have settled into their new home. They are all under health challenges and would appreciate your prayers for breakthroughs in that area.

Mum Cairns really values your ongoing prayers as she faces daily challenges and continues to trust the Lord in all areas.
