

December 2011 / January 2012 News Update

Ministry Report...

The past couple of months have been very busy, as always, and we praise God for all the wonderful things he has done.

I have ministered in Melbourne, the USA and England. In the USA we had the pleasure of ministering for a week in Virginia, then a couple of days in Pittsburgh. We then had a 9 hour drive to Indianapolis where we ministered for 5 days. We also enjoyed a week of ministry in upstate New York.

I've been privileged to speak in churches, at leadership gatherings, in school assemblies, at a Seminar and at some specific training times

for leaders and young people.

Meetings have been powerfully blessed as people encountered the presence and power of the Holy Spirit. In many meetings over 75—80% of the people present responded for prayer and ministry.

People have committed their lives to serve Jesus. Numerous testimonies have been received of people being healed in their bodies. Hands, shoulders, knees, discs in backs, spines have all been powerfully healed by the Lord. One man shared how the painful arthritis he had suffered for several years was completely healed.

There has been a really exciting and dynamic flow of prophetic anointing, with dozens of people receiving very specific words. There has also been words over churches which have apparently spoken directly to situations.

We praise God, and are so thankful to him for all he is doing, but we still long for much more.

We trust you will enjoy this very special time of year, as we celebrate the first coming of the King of Kings Let's keep **HIM** at the centre of all things.

Praying you will know God's blessings in every area of your life.

Fundraising...

We are so grateful to individuals who seek to raise funds for our Ministry, particularly for our work in Kenya and other African nations.

This coming Saturday 3 December a garage sale has been organized by

Mel Newton of Albury Christian Fellowship, to raise finances for our Mission in Kenya.

Another talented lady has produced a unique and beautiful painting which we are seeking to auction to raise funds

for our Missions work.

If you would like to help fund raise in some way, we would love to hear from you!

Urgent Prayer request...

Thank you to all who continue to respond to the serious needs in East Africa.

Thousands of people are suffering as a result of the drought, which has resulted in serious food shortages.

As you know, we work with many

leaders and churches in this region of Africa. Refugees are pouring into Kenya daily, adding to the serious food crisis that country was already facing.

Through your generous support we have been able to send several gifts to help alleviate some of the suffering

Over recent weeks the finances we have sent have helped to feed thousands of people.

Through our network of close relationships in the region, we are able to ensure that all donations reach those who need help the most.

Family News...

This has been a busy couple of months in family life. We have had the fun of several birthdays being celebrated, along with Dave and Victoria moving house and Simon and Lyss doing so in a few days.

Noah continues to grow rapidly. He already has a couple of teeth, has learnt to slide / crawl and is a blessing to us all. We are looking forward to his Dedication in early December.

Jonathan will be starting school next February and seems to be wise beyond his years!

Matthew is still battling some health issues so we appreciate your ongoing prayers for him.
