

## February / March 2012 News Update

### Ministry Report...

Happy New Year! We hope it has started well for you.

Traditionally, January is a vacation month here in Australia but the past few weeks have been very busy for us.

It was, however, a real blessing to get a few days break last week.

An exciting year lies ahead. No doubt there will be plenty of new challenges for us all locally, nationally and internationally. But ..... we know in whom we have believed and are certain He will be with us and lead us into a year of breakthroughs!

As we head into 2012 I am praying for, and

expecting, a year of greater release in the power of the Holy Spirit; along with increasing opportunities to make Jesus known.

The meetings through December and January were powerfully blessed by the Lord.

Many people responded to put Jesus back into his rightful place in their lives. I had the privilege of praying with people for healing and the Lord has touched lives. There was good prophetic ministry and the Holy Spirit has flowed, with many visibly impacted by his touch on their lives.

In some meetings I felt

to pray with people during worship times, or before I preached, and many shared how the Lord released them from various fears and other personal issues, bringing encouragement and strengthening them.

Over the next couple of months I am ministering in Australia and also visiting New Zealand and Kenya. I am praying and believing for the Lord to challenge and impact many people for His glory.

Trusting you will know God's blessing, grace and wisdom as you pursue your relationship with him in the coming days.

### Fundraising...

We are so grateful to individuals who seek to raise funds for our Ministry, particularly for our work in Kenya and other African nations.

Although the large needs in Africa remain

very challenging , we believe that as we each do all we can we are genuinely able to make a difference.

A very talented lady has produced a beautiful painting which we are

seeking to auction to raise funds for our Missions work.

If you would like to help fund raise in some way, we would love to hear from you!

## Child Sponsorship.....

We are so grateful to all who sponsor children in the Siritanyi Children's Home in Bungoma, Kenya. Your gifts are literally life changing for the children. This past couple of weeks SCH has taken in another 5 children. This means we now have 6 children unsponsored. Please pray and see

if you can commit to helping us care for these children in Kenya.

For some years we have been working with a ministry in Malawi, the leader is a member of our Alliance International Ministries network. He has an orphanage that is in need of major support. We will begin supporting him this

year in this vital ministry. There are 15 children who need sponsorship, with another 20 waiting to enter his Children's Home. We have recent photos of all the children, along with all their details. If you would like to sponsor a child please contact us for further information.

## Family News...

Our family continues to be such a joy and blessing to us. Noah has had one or two health issues but is nearly fully recovered now. Matthew is doing well and enjoys playing with his brother and spending time with his cousin.

This week Jonothan begins school, how the years fly past. He is very excited about attending school.

Dave is doing really well in his role with Repco and has to travel quite a lot around Australia. Victoria is

generally doing quite well health wise.

Simon and Lyss are continuing to settle into their new home, with Lyss and the boys really enjoying the large garden.
