## JULY 2008 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust this finds you well and enjoying the blessings of the Lord in every area. Over the past four weeks I have mainly been around Melbourne, with a couple of days into New South Wales. In all the places I visit there seems to be an increasing hunger and desire for a greater move and outpouring of the Holy Spirit.

The Lord has been moving powerfully in many parts of Asia, Africa and South America for many years and it is exciting to see how there are outbreaks of His outpouring in the West now. I think we are all realizing that without this new outpouring of the Holy Spirit, along with a real sense of the presence of God, we will not see our towns and cities changed and impacted for the Lord.

In the middle of June we held our Alliance International Ministries conference in Melbourne where Pastors and Leaders linked with us from Australia and New Zealand were able to gather for a great time of fellowship and ministering to one another. The challenge and desire of each of us is for the Lord to increasingly impact our lives so that through us He might touch many Churches and people in the nations we serve.

Our Ministry continues to increase, and we are seeing a rapid development of impact and influence in the Churches we currently serve and also through many new contacts that the Lord seems to be bringing weekly to us. It is exciting and challenging to work with so many in several countries who are achieving dynamic things for the Lord.
