

June / July 2012 News Update

Ministry Report...

What an exciting couple of months we have had as the year continues to speed past.

I have been blessed, and privileged, to minister in Melbourne, also around Victoria, interstate and overseas in the Philippines.

It has been so exciting to see the Lord powerfully impact many lives as I have ministered in churches, leadership conferences, seminars and specific times of training and equipping.

Praise God for people saved, along with many who have been healed physically and emotionally. We praise Him for the dynamic flow of the Holy Spirit in all activities, as people have been impacted by specific prophetic ministry.

In the seminars there have been wonderful moves of the Holy Spirit as he has 'interrupted' times of teaching to minister to people.

At times I have felt to minister to people before preaching. Testimonies have been received of people being powerfully impacted as they received healing and freedom in various areas.

One young man shared how he was about to walk to the front of the building to receive prayer when he realized that a long term neck injury had already been healed. A woman who had serious back issues, and could barely walk, was able to walk normally, and pain free, after receiving prayer.

Numerous people have sought a fresh release of the Holy Spirit in and through their lives.

People have been freed from pain in their bodies, and anxiety and fears in their lives. Leaders have testified how they have been healed from various emotional wounds, with several sharing how the Lord has released them from the pain of long term disappointments in their lives.

The Lord has challenged many to live with an ever increasing awareness that he has empowered them to be genuine witnesses in their everyday lives.

We praise God for his faithfulness and are really excited with all that lies ahead. Greater things are yet to come!

Family News...

We are so grateful to God for the wonderful family we are blessed with.

Simon, Lyss and the boys are doing really well. Simon continues to develop in his career, and is a blessing to many. Both Matthew and Jonathan are

doing well, with Jonothan already achieving good things at school.

Dave is busy with work locally and also travelling around Australia training others in management skills. Vicki is enjoying the fun, along with the various

challenges, of a one year old boy.

Noah recently celebrated his first birthday, and is such a delight to us all. He is not very far off walking, then the fun will really begin!

Child Sponsorship.....

We are so very grateful to all who currently sponsor children in the Siritanyi Children's Home located in Bungoma, Kenya. Your gifts are quite literally life changing for the children.

Due to the continuing food and financial crisis Africa is suffering, SCH has taken in another 5 children. This means we now have 6 unsponsored children. Please pray and see if you

can commit to helping us care for these children in Kenya.

For some years we have also been working with a ministry in Malawi, the leader of which is a member of our Alliance International Ministries network. He has taken care of many children over the years and has an orphanage that is in need of some serious and major support.

We really want to support him in this vital ministry. At present he has 15 children who need sponsorship, with another 20 waiting to enter his Children's Home as soon as there sufficient finances.

We have recent photos of all the children, along with all their personal details and information.

Fundraising...

We are really grateful to the various individuals who seek to raise funds for our Ministry, especially our work in Kenya and other African nations.

Although the ongoing needs in Africa remain very challenging we believe that, as we each do all we can, we

are genuinely able to make a positive difference.

A very talented lady has produced a really beautiful painting which we are seeking to auction to raise funds for our Missions work.

Heather is planning a massive Zumba

Fundraising morning in September. Further details will be available soon.

If you would like to help fund raise in some way, we would love to hear from you! Please contact us at admin@johncairns.org.
