## **MAY 2008 NEWS UPDATE**

Greetings in the mighty name of Jesus. It is hard to believe that we are already in the fifth month of this year. Time is zipping past but we praise God for all that He continues to do in and through our Ministry.

During April I ministered in Kenya and then around Melbourne. We will be sending out a separate report on the Kenya highlights as the Lord did so many powerful things. We are continuing to work weekly with many churches and ministries in Kenya; there are many opportunities for support and further details can be found on our website.

In all the meetings we have seen many people healed physically and emotionally. One lady shared how she had been healed from back problems caused by a pinched nerve and that she had also recovered full hearing which had been deteriorating over recent years. Many people have testified to bodies being healed from pain and immobility in backs, legs and shoulders.

There has also been a good flow of prophetic ministry which has apparently spoken very specifically and clearly to those who have received the ministry. Testimonies have also been received of people set free from debilitating depression and other emotional problems.

To stay up to date with all we are doing we encourage you to regularly visit us at [www.johncairns.org](http://www.johncairns.org)

Praise God that the Ministry continues to increase and we are praying for people to partner with us in various ways.

1. Prayer Partnership – people committed to praying daily for us and the Ministry.
2. Financial Partnership – people committed to sowing financially into various areas of our Ministry.
3. Specific Missions Partnership – such as Kenya, Bangladesh, the Philippines.
4. Specific Project Partnership – such as the Siritanyi Children's Home in Kenya.
5. Staff / Administration – Extra regular income is needed to help cover increased wages and costs as we expand the Ministry.
