

## October / November 2011 News Update

### Ministry Report...

Another couple of months have come and gone. Time seems to speed past these days.

Praise God for a very blessed and fruitful time in the past two months. I have ministered in churches, with young people, with leaders and at a Conference.

It has been a privilege, and real pleasure to minister in Melbourne, Sydney, some places in Victoria and in South Africa.

The Holy Spirit has moved powerfully in the various meetings. There has been a tremendous anointing and people have been wonderfully impacted and changed by Holy Spirit encounters.

Testimonies have been

received of people healed from various emotional issues, set free from fears, receiving a new peace and joy.

It has been a blessing to see a good flow of prophetic ministry, with people clearly being impacted by the words they have received.

Testimonies have also been received of people healed from pain and sickness. Praise God!!

We had a great time at the Seminar as people were trained, equipped and emboldened to live a Missional lifestyle, sharing Jesus in everyday life.

Many people have shared how they now have a new boldness in their lives.

We will be running the Seminar in Frankston on

Saturday 8 October, further details are in this newsletter.

My time in South Africa was blessed from start to finish. The Church Camp and Leaders Conference were powerful times as the Lord ministered to us through the Word and the Holy Spirit.

It has also been a real blessing to spend time with leaders individually. So many are faithfully serving the Lord, in some cases in the face of many ongoing challenges.

We are living in exciting and challenging days. As we stay focused on the Lord we can expect to see him at work in and through our lives, building his church and advancing his Kingdom.

### Seminar....

On Saturday 8 October we will be holding a seminar entitled : "A Missional Lifestyle".

Followers of Jesus Christ have an exciting, life changing Mission: to share Jesus Christ and advance His Kingdom.

This seminar will teach you how you can do this in a natural and normal way in your every day life.

The seminar is being held at **Peninsula City Church, Frankston, (Melbourne)**

It will run from 9:30 AM (PROMPT) to 1:30 PM.

Registration is \$20 per person. Fee can be paid by cash, credit card (through PayPal), money order or cheque. Further info at [admin@johncairns.org](mailto:admin@johncairns.org)

## Urgent Prayer request...

Thank you to the many who have responded to the needs in East Africa.

Thousands of people continue to suffer as a result of the drought, which has resulted in serious food shortages.

As you know, we work with many leaders and churches in this region of Africa. Refugees are pouring into Kenya

daily, adding to the serious food crisis that country was already facing.

Through your generous support we have been able to send gifts to help alleviate some of the suffering but we are looking at ways to increase our assistance to these precious people. Our Children's Home is also facing serious shortfalls in food supplies with

the children often only receiving one meal per day.

We realize that there are so many genuine needs in numerous countries but we would ask you to pray and see if you can help us as we seek to respond to this crisis in East Africa in a practical way.

## Family News...

We praise God for Noah's continued health. He is growing rapidly and is such a happy baby. Victoria is doing better in her health but still needs some major breakthroughs. Dave has had some serious back problems and would appreciate your prayers.

Simon, Lyss and the boys have been battling various health issues for some weeks now. Praise God for some improvement but they also need to see some major touches in this area.

Heather is keeping very busy with many family, work and church commitments.

She is looking forward to travelling to the USA and UK with me this month.

I always make the most of my times around home, seeing the children and grandchildren, grateful to the Lord for the wonderful family he has blessed me with.
