*Training—Equipping—Building Faith—Inspiring Hope*

## Ministry Report...

Greetings in the mighty name of Jesus.

Over the past couple of months I have been blessed to minister around Melbourne, in New South Wales and in the Philippines.

In June we held our annual Alliance International Ministries (AIM) Conference. This is the 'family' network of Pastors and Leaders that we are blessed to be joined with. The Conference gives an opportunity for AIM members living in this region to meet together, fellowship and encourage one another.

I have ministered with churches and in leadership conferences and spent lots of time in one-on-one counseling and mentoring situations with

Pastors and Leaders.

Praise God for many in meetings who have received healing touches in their bodies. Many have also testified how the Lord has removed anxiety and fear from their lives, filling them with a new sense of peace and hope.

In several of the meetings there has been a great release of the Holy Spirit impacting numerous lives in several ways. Several have testified that this has brought releases from various issues and a new sense of joy in the Lord.

I had a brilliant time in the Philippines. I had the privilege of ministering several times in the Leaders conference. In every meeting the Lord ministered powerfully to numerous people. The folk were very responsive and

quick to seek prayer. The Lord honoured their faith and testimonies of powerful touches from the Lord were received.

In one session most of the leaders received prayer as they felt isolated and lonely as they serve the Lord in various provincial areas of the Philippines. It was such a blessing to see so many of them refreshed and renewed, returning to their churches with new hope and vision.

The night meetings were very powerful with tremendous levels of praise and worship.

Trusting the Lord to continue to take you to new levels in your relationship with Him in the coming months.

Blessings, John

## Breaking News...

I am receiving regular emails concerning the ongoing food scarcities in Kenya.

Thousands are starving weekly and fighting has again broken out in some areas as farmers look for

land to graze their few animals on.

We are naturally wanting to help as much as possible. We would really appreciate your prayers and financial support as we seek to be a blessing to

the people of Kenya.

- 13 New Life Church, Dandenong, VIC
- 17 Fly to Malaysia
- 17-23 Ministering with various churches and at  
Leaders Conference, Kuala Lumpur, Malaysia

## Mission Update...

We continue to plan for many projects in Kenya. These include:

A **Community Centre** which will be used for local church meetings and as a training centre.

We are also looking at building a **Vocational Training Centre** where people will be trained in practical skills to help them come out of poverty and find employment

We are investigating the possibility of establishing a **Cyber Café** where young people can be trained, equipped, and employed to work in the IT industry.

We are seeking to expand the use of our **'Basic Christian Truths' Training Program** to help more people be firmly established in the basics of the Christian Faith.

Please pray for release of finances as we work in these areas, seeking to help as many people as possible in both practical and spiritual ways.
