

JOHN CAIRNS MINISTRIES

Equipping people to be victorious disciples of Jesus Christ

August-September 2014 News Update

Ministry Report

The past few weeks have been very blessed and fruitful as I've ministered in Australia. It's been a privilege to speak at churches and to also spend lots of time ministering to pastors and leaders in church meetings and also on a one to one basis. There are so many leaders faithfully serving God despite various challenges, and I am blessed to have opportunity to counsel, encourage and pray with some of them.

Praise God that we have seen people make the life changing decision to become a follower of Jesus Christ, along with many people making a renewed commitment to put Jesus at the centre of their lives. There have also been prophetic words over churches and individuals which have spoken specifically into current situations. These words have apparently brought clarity and encouragement.

We have prayed for many sick people and received testimonies of people being healed from various illnesses and health issues. Pain has left bodies. Limbs have been freed. God is good!

We had an excellent time at our Australian Leaders Network International conference in June, which was held in Albury, NSW for the first time. We had leaders in attendance from Australia, South Africa and the USA. It was such a blessing to see the Lord powerfully impact lives not only through the ministry of the Word but through the times of fellowship and interaction outside of meetings.

As you will see from the Itinerary, over the next few weeks I will be ministering in Australia, and also speaking and ministering in South Africa and New Zealand. We are believing for the Lord to powerfully impact lives in all the church meetings and also at our Leaders Network International Conference in Durban.

We are so thankful to God for all he is doing through JCM. New doors of opportunity are opening, which bring with them new challenges as well! But we know that we serve Jehovah Jireh, the Lord our Provider, and we are excited with all that lies ahead.

Trusting you will continue to know the blessings of the Lord in every area of your lives.

Temple Times is a newsletter concerned with discussing health issues, diet, food and general healthy living.

As a result of these various requests and conversations, it has been decided to begin producing the Temple Times again. If you would like to sign up to receive these newsletters, which will be sent out every couple of months, please email heather@johncairns.org and we will add you to the new mailing list.
