Ministry Report...

Praise God for another exciting couple of months as I have had the pleasure of ministering in Australia and New Zealand.

Again there has been a variety of activities. I have spoken in churches, at leadership conferences and gatherings, at youth events and spent time with individual leaders.

It has been such a privilege to see the Holy Spirit minister powerfully to many people. There has been a really good flow of prophetic ministry, along with words of knowledge. The Lord has ministered to people very clearly and specifically.

Our leaders Network Conference, held in June in Melbourne, was such a good time. There was great ministry of the Word

from various speakers, along with excellent times of some personal ministry.

My visit to New Zealand was blessed in every way. Praise God for the way he impacted so many young people in various youth meetings. The Lord is so very clearly challenging young people to move to new levels in him, and they are responding! Young people were saved, baptized in the Holy Spirit and freed from various fears and anxieties.

We praise God for the many people who have been physically healed. In many of the meetings people have been healed as the Lord powerfully touched them.

One lady had been in very-major pain for some time due to a pinched nerve,

which had immobilized parts of her body. After prayer she was instantly healed and able to move every part of her body.

People have testified to being healed from knee problems, back pain, chest infections, thyroid and gland problems, kidney pain and other illnesses. To God be the glory!

In one meeting, as I was praying for people, there was an amazing Holy Spirit inspired silence. All those present were powerfully impacted as for some 20 minutes we remained in awed silence, very aware of the Lord's presence.

We believe that 'Greater things are yet to come'. Let's press on to know the Lord, actively pursuing our relationship with Him as the priority of our lives.

Family News...

We are so blessed with our beautiful family. Simon, Lyss, Jonothan and Matthew are all doing well. They have had a few health issues but are now all recovering.

Dave, Vicki and Noah are doing really well.

Dave has to travel interstate fairly regularly for work; Vicki is working a little for JCM and Noah is just such a delight!

Heather is keeping very busy with work and church activities. She is also now spending lots of time in planning and meeting with people for the upcoming October Zumbathon.

Praise and Prayer...

Praise God:

For many people saved, healed and impacted by the power of the Holy Spirit.

For the increasing influence of John Cairns Ministries locally and overseas.

For the people who support our projects and programmes in Africa.

For the many churches and leaders we are privileged to serve in several nations. We praise God for their faithfulness and commitment to serve the Lord in, often, very difficult and challenging circumstances.

Please Pray:

That all our Team will know health and strength. Many have been having

health issues but we believe that Jesus is THE Healer!

For financial breakthroughs in all areas of our Ministry.

Our 12 year old car is definitely in it's final phase of life :) Please pray for a financial release to enable us to purchase another vehicle.

Zumbathon...

We praise God for the many opportunities we have to work with churches and leaders in Africa, assisting them spiritually and practically as they faithfully seek to serve the Lord in, often, desperate situations.

We are helping to fund activities and projects that bring people out of poverty. We currently support two orphanages, and partner with other organizations, to financially support several pastors with a monthly salary. We work with leaders who are helping children, families, hospital

patients, widows and many others, to become self sufficient.

As part of our ongoing fundraising activities, Heather has planned a **Zumba Fundraising morning** on **October 6**, being held in Berwick, Melbourne.
