Ministry Report...

Greetings from a very warm Melbourne where we have just moved into Summer.

The past couple of months have been very busy. I have ministered around Melbourne and in the USA. Praise God for all He has accomplished.

A lot of my time has been spent with leadership teams, as well as individual pastors and leaders. It has been a privilege to advise, counsel and encourage many as they seek to move to new levels in the Lord and take their churches forward into all that God has for them.

The Holy Spirit has blessed and encouraged so many of these faithful leaders in powerful ways, bringing fresh hope and vision.

In the public meetings there has been a dynamic sense of the presence of the Holy Spirit, with many people being impacted through prophecy and words of knowledge.

It has been so exciting to see people quickly, and genuinely, responding to the ministry of the Word. Often there have been crowds of people rushing to the front of the hall to seek an encounter with God. As the Lord touched people, many were making fresh commitments to serve him, often choosing to shake off lethargy and apathy. Praise God for people making first time decisions to enthrone Jesus as Lord of their lives.

There have been so many exciting testimonies of

people being healed by the power of Jesus Christ.

In one meeting a man shared how we had prayed for him a while ago. At that time he was barely able to walk due to pain in his feet and legs but, just that weekend, he had competed in a Marathon! Another man was freed from long term depression. We have heard from a few people who have been healed from diabetes. A lady who had suffered neck and back pain for 18 months was instantly healed by the Lord. Glory to God!

As we approach another Christmas, all the JCM Team wish you a very blessed time. We pray that Jesus will be at the centre of your celebrations and, also, your life.

Merry Christmas, and a Happy New Year.

Family News...

We are really thankful to the Lord for our beautiful family.

We were very excited to be able to attend the recent water baptism of Jonothan, and praise God for his desire to serve the Lord.

Heather and I are looking forward to spending lots of time with our family over this special season, as yet another busy year draws to a close.

We praise God for blessing us with such a wonderful family.

Gifts for Change.....

Christmas is on the horizon! If you are wondering what to buy your family and friends this year check out our Gifts for Change Catalogue.

The gift you purchase will put a smile on the face of the recipients and also make a huge difference in their lives. Check out the Catalogue on our Web Site for full details.

You choose a gift, receive a Gift Card detailing the gift purchased for your family member, friend or co-worker. Your donation blesses someone in Africa!

Leaders Network International...

We are so blessed to be a part of this Network of churches, pastors and ministries in 11 countries.

Praise God for the many men and women who faithfully serve the Lord in, very often, difficult circumstances.

In the Philippine we are privileged to

work with, and serve, many leaders in that great nation. There are many ongoing challenges there, particularly following the recent destruction. We praise God that all our LNI family were kept safe but so many have been impacted by the tragedy.

LNI is also blessed to have members

in several African nations as well as in Australia, New Zealand, and the USA.
