## DECEMBER 2007 / JANUARY 2008 NEWS UPDATE

Greetings to you all in the mighty name of Jesus. We trust that you are enjoying the blessings of the Lord. In the month of November I have been privileged to minister in Melbourne & overseas in Singapore & Malaysia.

The Lord has moved very powerfully with many people impacted by the Holy Spirit in various ways. I have ministered to churches, to youth groups, with business people and at leadership gatherings. There has been a dynamic flow of the prophetic along with numerous specific words of knowledge, which have been eagerly responded to. Praise God for the people who have been saved and the many that have been physically healed. One man shared that when I prayed for people at the front of the hall heat hit his body and chest pains immediately left him. A young lady shared how she had been in one of my meetings some years ago. After I prayed for her she was immediately delivered from drug addiction and has stayed clean ever since. A man who had been immobile and in constant pain from back injury was released from all pain and completely healed. People have shared of healing in their stomachs, necks, feet and legs.

I have had the privilege of sharing with leaders and business people where the Lord has given prophetic insight, which has brought clarity and release to several. Hundreds have responded to the challenge of reigniting their passion for Jesus and received a new boldness to share Jesus through their lives.

Our ministry in Kenya is such a blessing to us. The Lord is adding more and more leaders relationally to us. Finances are being sent regularly to Kenya which enables the purchase of Bibles, bicycles and various products which help many to come out of poverty and have a source of income. Siritanyi Children's Home remains very dear to us. We praise God for a few more individuals who have committed to monthly financial support to help feed, clothe and educate the children. Plans for the Leadership Conference in 2008 are well under way. We value your prayers for finances to come in to cover all the expenses.

As the Lord continues to develop and increase our influence into churches and nations there are several ways people can partner with us at Power and Light Ministries:

1. Prayer Partnership – people committed to praying daily for us.
2. Financial Partnership – regular commitment to give financially to support the running of PALM & our vision.
3. Specific Missions Partnership – such as the Kenya Missions Trip.
4. Specific Project Partnership – such as supporting the Siritanyi Children's Orphanage in Bungoma, Kenya.
