## **Ministry Report**

Praise God for all he has done over these past couple of months. I've had the privilege of ministering in Australia, Germany and England, seeing the Lord touch many lives in several ways. As I travel and visit with churches from different 'streams' I see an increasing hunger and desire across the Body of Christ for a genuine outpouring of the Holy Spirit. Many are desperate to move beyond where we are at to see the Lord powerfully impact not only themselves and their churches, but their communities and nations.

In many places there has been a dynamic flow of prophetic ministry to churches and individuals, confirming, encouraging and directing people in their walk with the Lord. We have seen several people make first, or fresh, commitments to serve Jesus and make him the centre of their lives. People have responded to the words of knowledge shared in meetings and many have been physically healed. Stomach issues, arms and shoulders have been healed by the Lord and many have shared how they have been freed from emotional issues.

We enjoyed spending some time with our family in England. We hadn't seen most of them for 18 months so it was a real blessing to catch up with many of them. We also met with friends and leaders that we used to work with back in the 1980's. What a joy to reminisce and spur each other on into all the Lord still wants to do.

It's exciting to welcome more leaders into our Leaders Network international family, with leaders from Germany and England joining us as we seek to serve and encourage them as they faithfully serve the Lord.

Special birthday love and wishes to my beautiful wife who has stood with me in the valleys and on the mountain tops of our journey together in the Lord.

As we come to that time of the year again when we celebrate the coming to earth of the King of Kings, all of us at JCM pray you will know his joy, grace and peace in every area of your life. Merry Christmas!

## The Real Gift of Christmas

Christmas! Hectic shopping at crowded shopping centres, trying to find gifts for people who have everything. Planning, preparing, baking, parties and visiting. It's so easy to get lost in all of the busyness. Christmas is not just about one day in the year but about the person of Jesus Christ. Where the God of eternity broke into time. Make time this Christmas for the Lord, celebrating Him and all he has done.

## A Better Life

So many of us today are not really living, just barely existing and trying to survive the frenzied pace of modern life. We know there has to be more. Jesus desires to powerfully impact and change our lives. Jesus said "I came so they can have real and eternal life, more and better life than they ever dreamed of" We can follow Jesus and enjoy the better life which is only available through Him.
