It's great to be in touch with you all again through this news update. We are so grateful to Father God for the many ways he has blessed us over these past couple of months. I've had the privilege of ministering here in Australia in churches and Conferences in Victoria, interstate, in New Zealand and South Africa.

We've had so many powerful meetings where the Holy Spirit has moved powerfully before I preached, as well as during and after preaching. There has been a tremendous flow of prophetic ministry for churches and individuals bringing encouragement, direction and confirmation. Words of knowledge have spoken directly and specifically to many people and, as they responded, we have seen many wonderful healings.

Let me share with you just a few of the many testimonies we've received regarding physical healing. A man who had damaged nerves in his shoulder was healed. A person with blurred vision received a powerful touch and had full vision restored. After being prayed for, a woman suffering from long term pain and immobility in her knee was able to move the knee freely and without any pain. A lady suffering major back pain and immobility was able to stand straight without any pain, enjoying full mobility and freedom in her lower back. So many people have been touched and we give God all the glory. People being oppressed by anxiety and worry have shared how Father set them free. They are now living in a new place of peace and joy.

While in South Africa I had the pleasure of meeting again with several of our Leaders Network pastors and leaders. It's a privilege to work with them and to see all they are accomplishing for the Lord. LNI continues to grow and develop, now connecting and serving pastors and leaders in 13 countries.

A major joy for me is mentoring and serving many individual pastors and leaders here in Australia, and also in many other nations. I am constantly blessed, and challenged, by the faithfulness and persistence of these men and women of God who are giving their all to advance the kingdom of God.

Over the next couple of months I'll be ministering in various cities and countries. Please check out our web site for full details. Thank you for your continued interest in, and support of, JCM. We are grateful and trust you will see the blessings of the Lord in every area of your lives.

We are really excited to welcome Victoria Cairns Natsis back in her role as Personal Assistant to John. We are so pleased to have Victoria resuming this role after taking time out to raise her two young boys.

Siritanyi Children's Home

New mattresses and bunk beds have been purchased for the children's dormitories and a new stove is being installed that will best suit the needs of the Home. All the children have been re-enrolled in school for the 2nd term. New shoes, clothing, and school supplies have been purchased. Taft and Millie (the houseparents) travelled to the schools to personally speak to the headmasters and get a report on how the children are doing.

We are very excited to announce the launch of our new booklet entitled Living in Victory. This booklet complements the Power of Words booklet, and is designed to help people stand firmly on the Word of God in every circumstance and situation. They are \$5 each.
