MINISTRY UPDATE

Praise God for all he has done over the past few weeks. I've had the privilege of ministering with several churches in Victoria, Australia as well as sharing with churches and at a Leaders Conference in the Philippines.

It is always exciting to see the Holy Spirit powerfully impacting lives. In many meetings there has been a dynamic flow of prophetic ministry to churches and individuals. I am constantly blessed and humbled as the Holy Spirit impacts lives, bringing healing, peace and release. I am encouraged that in several places there is a growing hunger in people for real and genuine encounters with God; a desire not only to be impacted by Him but to then impact the lives of other in their communities.

Testimonies have been received from leaders who have been refreshed and re-envisioned, finding a new release of joy and anointing to continue in the work the Lord has called them to. We have also received many testimonies from people who have been physically impacted by the Lord. Lungs have been healed; pain has gone from necks and legs. One young lady had been suffering debilitating migraine. After prayer all pain left and has not returned, praise God. One man was healed of lower back pain, which had brought major immobility. The Lord touched him instantly - all pain left and full mobility returned. What a mighty God we serve!

ZUMBATHON

We praise God for the many opportunities we have to work with churches and leaders in Africa, assisting them spiritually and practically as they faithfully seek to serve the Lord in, often, desperate situations.

We are helping to fund activities and projects that bring people out of poverty. We currently support two orphanages, and partner with other various organizations, to financially support several pastors with a monthly salary. We work with leaders who are helping children, families, hospital patients, widows and many others, to become self sufficient.

As part of our ongoing fundraising activities, Heather has planned another **Zumba Fundraising morning** on **July 6** being held in Berwick, Melbourne. Further information can be found at our web site, where brochures can also be downloaded. We are hoping to raise a substantial amount to help fund our various African projects.

FAMILY NEWS

What a blessing our family is to us, and many others!

Our three grandsons are an absolute delight and give so much pleasure to us, along with some challenges to their parents! Simon, Lyss and the boys have just returned from attending a family wedding in **Cairns**, followed by a holiday, which they all enjoyed. Simon is now back at work and continuing to help many live productive lives.

Dave is travelling lots in his work, and enjoying good success in his career. Vicki, (like Lyss) is a full time mum (as well as some part time work at JCM). Praise God for the health and strength they are all enjoying.

Praise God:

For many lives impacted and changed by the power of God.

For the privilege of ongoing influence into the lives of established and emerging leaders.

For all the children being cared for at the Homes in Kenya and Malawi. For all the sponsors, not only of children but all those who partner financially with several African pastors.

For all the churches, ministries and leaders who are part of our Leaders Network International family. There is growth in many countries and we are grateful to God for all he is doing in our Leadership

Please Continue to Pray:

For financial breakthroughs in all areas of our Ministry. We have many increasing demands, particularly with our Mission work.

For a new vehicle for us. Our current 13 year old vehicle is on its last tyres! Praise God for the gifts received but we still need major financial releases.

For our Ministry schedule to be as planned by the Lord.

For volunteers to help with ongoing development of the JCM Ministry.
