2015 News Update - Issue 1

Ministry Report

Welcome to another year! It's a new year full of hope, vision, expectancy and purpose. Hopefully it has started well for you. I believe this is a year of breakthrough and increase and this is the message I have been sharing in the churches I've ministered with over the past few weeks.

In the church meetings there has been a great dynamic flow of the Holy Spirit, with prophetic ministry directly, and through the ministry of the Word of God, to churches and individuals. It's been a privilege to pray with many people and see the Lord at work specifically, clearly and powerfully in their lives.

During this summer holiday time here in Australia I've had several opportunities to meet with pastors and local leaders, as well as with leaders who are involved in global ministries. It's always exciting to hear what the Lord is doing through so many faithful people.

At JCM we have a busy year ahead and the Lord is opening many new doors of opportunity. We are continually seeking the Lord for his clear direction so that we will always be where he wants us to be. Along with our 'regular' ministry into churches and leadership situations we are planning various workshops where we can help train, equip and empower as many people as possible to serve the Lord in the power of the Holy Spirit.

We trust that this year you will live with an increasing awareness of the presence of the Lord as you pursue your relationship with him, and allow him to be all he desires in and through your life.
