

2015 News Update –Issue 2

Ministry report

The past couple of months have been very busy with ministry in Australia and New Zealand. I've been blessed to minister with Churches, in leadership training, mentoring individuals and in Workshops. Praise God for all the lives He has impacted in these various activities.

In many places I have found a growing hunger for people to experience genuine encounters with God. Many people are determined to increasingly know the Holy Spirit at work in and through their lives. For many it's no longer enough just to attend church meetings. People are desiring a much greater intimacy with the Lord, living every day with a conscious awareness of him in their lives.

Praise God for the ministry of the Holy Spirit in all the meetings I've been privileged to share at. People have received prophetic ministry, some have been baptized in the Holy Spirit, people have been saved, many have testified to physical healing. Eyes, shoulders, stomachs, tinnitus, necks have been healed as people encountered the healing power of Jesus Christ.

In March, our Leaders Network International conference in Albury, Australia was a powerful time as leaders from Australia, New Zealand and South Africa came together for teaching, fellowship and a refreshing time of building and deepening relationships.

Our "Activating the Gifts" workshop was an excellent time as people received ministry but also had the opportunity to minister to one another in the power of the Holy Spirit. We are planning to run another Workshop later this year on the Mornington Peninsula.
