## 2015 Prayer Update –Issue 3

---

### Ministry report

Praise God for all we have seen Him do over the past couple of months. It's exciting to see lives challenged and impacted by the Holy Spirit in so many different ways.

I had an excellent time in the Philippines, ministering with churches and leaders. Our Leaders Network Conference in Dasmariñas was a very powerful and blessed time. In the meetings many people received physical healing with testimonies of legs, backs and knees being released from pain and immobility. One lady had been suffering major stomach pains for some time and was under medical treatment. After prayer, all pain had gone. People were freed from fears and anxiety. It was a real blessing to see leaders receiving a touch from the Lord and being refreshed and encouraged.

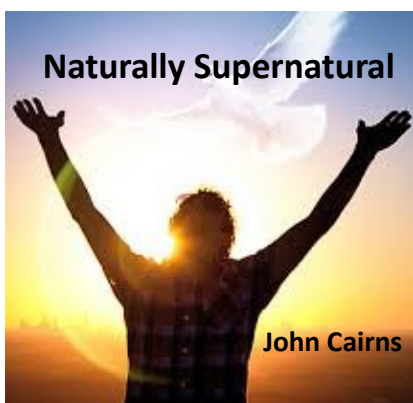

The Holy Spirit moved powerfully at all the meetings, sometimes before I preached, with prophecies and words of knowledge specifically, and directly, ministering to many people. People received Jesus as Lord and Saviour. Several people made fresh commitments to surrender to His Lordship.

It seems that many churches and individuals are in a major time of transition. This can be exciting but also challenging. The Lord is working on us to bring us into all that He desires but we need to position ourselves to receive and be ready to move into the next season of our journey. The Holy Spirit is seeking to draw us into deeper intimacy and fellowship with the Lord so we can hear His voice clearly and step into all that lies ahead. Let's press on and embrace all that is on Father's heart. Greater things are yet to come.

Hope you enjoy reading the Update. We trust you will know the blessing of the Lord in every area of your life as you seek first His Kingdom plans and purposes
