Ministry report

We trust you are enjoying the blessings of the Lord wherever you are reading this. Here in Melbourne we are having our coldest winter in many years. Praise God for Seasons—not only naturally but also spiritually. Times of blessing, times of challenges but through it all knowing that God is at work in and through our lives.

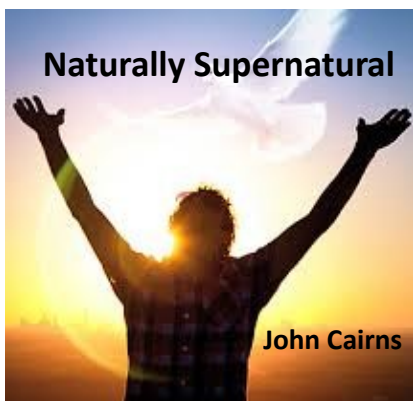

I had an excellent time in New Zealand and praise God for all he did. I had the privilege of speaking in church meetings, at Youth events, to leadership gatherings and also spending lots of times meeting with individual leaders. It's exciting to see how many, despite various challenges, are pressing in to know the Lord in and seeking Him to move more powerfully and dynamically in their own lives and through their ministries.

The various meetings were powerfully blessed by the Lord. Praise God that people were saved, many received healing and there was a great outpouring of the Holy Spirit. Testimonies were received of people healed from lower back problems, ear issues, stomach pain, leg and shoulder challenges. One young man shared how he was healed from carpal and tendon problems. In the youth meetings many responded to the challenge to put Jesus first in their lives, seeking his plans and purposes above their own. In one citywide youth event over half of the young people rushed to the front of the hall to make commitments to serve the Lord wholeheartedly.

Here in Australia it has also been a blessing to see the Holy Spirit moving powerfully in the church meetings. Again there have been salvations, healings and fresh outpourings of the Holy Spirit.

Kingdom culture is being increasingly challenged by the prevailing Western culture but I believe that as we press into God and respond with love, grace and truth we can be the Salt and Light that we are called to be. We are empowered by the Holy Spirit to positively impact our world and, as we seek FIRST the Kingdom of God, we will glorify God in our everyday lives.
