

2015 News Update –Issue 5

Ministry report

Here in Melbourne we are moving through Spring towards another hot summer. Many of the leaders and churches I have the privilege of working with seem to also be moving into new seasons. This can be both exciting and challenging but, as we keep our eyes on the Lord and our ears open to the leading of the Holy Spirit, we can be certain that we will step into all the Lord has planned.

At JCM we continue to make various changes as we are led and inspired by the Lord. We are so grateful to him as he directs us into new areas of ministry, relationships and friendships.

The last couple of months have been stretching, and exciting, as I've ministered in Australia, New Zealand, Kenya and South Africa. Praise God for all that He has accomplished. People have been saved; so many have made a commitment to put Jesus at the centre of their lives; people have been baptized in the Holy Spirit; prophetic ministry to individuals and churches has occurred; in many meetings just about all present have responded for prayer. A woman was healed from a serious rash affecting her hands and arms; another woman was healed from an irregular heartbeat; a young man had major stomach problems healed. Many people have testified to pain leaving their bodies as well as freedom from fears and anxiety.

Although we are living in turbulent times this is a great time to be alive. The Lord is raising up a church which firstly seeks intimacy with him as the absolute priority, then moves in his power and authority to bring hope and freedom into our communities. The Holy Spirit is ever ready to empower followers of Jesus Christ to live as he did and do the things he did!

Africa Missions Trip

Our recent visit to East and South Africa was blessed in every way. Although there were various challenges, we praise God that the whole Team saw the Lord at work in and through their lives every day. We spent nearly two weeks in Kenya and were privileged to not only minister with churches and leaders but also spend time with the children from Siritanyi Children's Home. We had opportunity one day to meet with a number of beneficiaries of our Micro-Finance Programme. We also enjoyed a powerful week of ministry in South Africa.

Everyday there were numerous opportunities to help meet the needs of people; to bring joy to children just by spending time with them; to encourage so many leaders and church members who remain faithful and very optimistic in spite of the many challenges they face daily. Over the next couple of weeks photos and videos should be posted to our web site, each one speaking it's own thousand words! Thank you for your prayers and support which helped us impact many lives for God's glory.
