Ministry Report...

Praise God for all we have seen him do over these past few weeks.

I have been privileged to minister at meetings of young people, in church meetings, at leadership gatherings, a Conference and a church camp. It was also a real privilege to ordain two men into their roles as pastors of two local churches.

I have ministered in New South Wales, Victoria and in South Africa.

It has been such a blessing to see the power of the Holy Spirit impacting so many lives. Along with a flow of prophetic ministry, people have been freed from fears and anxiety, with several receiving specific words that have apparently helped and encouraged them.

Testimonies have been received from people who

Received a touch from the Lord both emotionally and physically.

Praise God for so many people who made a decision to make their relationship with Jesus Christ the priority of their lives. There have been those who have made first time commitments to the Lordship of Jesus.

We have heard from people who have received physical healing, freedom from pain in their bodies and limbs freed from dysfunction. An older man shared how he had been injured in a motor vehicle accident, which had left him in severe pain with damaged vertebrae. After prayer, all pain left and he was able to walk freely, with total mobility. Praise God!

In South Africa I enjoyed ministering at a Church Camp and at a Leaders Conference.

It was such a blessing to share with people who were hungry for a move of God, and ready to be impacted, challenged and changed by the Holy Spirit.

During my time there I had some health battles but, praise God, he empowered and strengthened me and I was able to fulfil all the ministry commitments.

It was such a blessing to see the passion and openness of all the leaders who attended our LNI conference. They were ever ready to personally respond to every challenge issued through the Word and the Spirit.

Check out our Itinerary to see where we will be ministering in the coming weeks.

We praise God for all he is doing in these days but we also know that "Greater things are yet to Come"

Family News...

We praise God for the wonderful family he has blessed us with.

Simon and the boys (Jonothan and Mathew) have been battling various health issues but are now back to full health. Lyss is well and keeping busy looking after them all!

Dave and Victoria are well, having various health battles but seeing breakthroughs.

Matthew and Noah are pictured with Nanny at a recent party.

Noah is growing quickly and enjoys moving at pace around the house, trying to gain access to all the cupboards, as well as wanting to turn on every electrical gadget!

Praise and Prayer...

Praise God:

+For many people saved, healed and impacted by the power of the Holy Spirit.
 +For the increasing influence of John Cairns Ministries locally and overseas.
 +For the development and expansion of Leaders Network International.
 +For the people who support various projects and programmes in Africa.

+For the many churches and leaders we are privileged to serve in several nations. We praise God for their faithfulness and commitment to serve the Lord in, often, very difficult and challenging circumstances.

Please Continue to Pray:

+That all our Team will know health and strength. Many have been having health issues but we believe that Jesus

is THE Healer!

+For financial breakthroughs in all areas of our Ministry. That we will raise significant finances at the Zumbathon.
 +Our 12 year old car is definitely in it's final phase of life :) Please pray for a financial release to enable us to lease or purchase another vehicle.
 +Our pc crashed and cannot be repaired. We are believing for provision to purchase a new computer.

Zumbathon...

The Zumbathon, arranged by Heather, takes place on Saturday 6 October in Berwick.

This will be a fun time where we are seeking to raise finances to help fund the various projects we have in various African nations.

Further information can be found at our web site, where brochures can also be downloaded.

Working with friends and colleagues in these African nations, we are helping to fund activities and projects that bring people out of poverty.

We support two orphanages, and partner with various churches and organizations to financially support several pastors with a monthly salary.

In Africa we work with leaders who are helping children, families, hospital patients, widows and others, to become self sufficient.
