### OCTOBER 2007 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust that you are enjoying the blessings of the Lord in every area. I have been ministering around Melbourne and in Adelaide this month, where the Lord has moved powerfully again with many people saved and physically healed.

Several people have shared how they have been instantly healed from pain. Many have testified to knee cartilages being instantly healed; one man testified how his knee had been completely healed during the meeting. One young man shared how heat had gone from the sole of his foot through to his knee and his hamstring was instantly healed. A man shared that due to stomach problems he had been in intense pain, but again, was completely healed after prayer.

In every meeting there has been a very powerful sense of the Holy Spirit and at times I have had to stop preaching to pray with people for different situations and circumstances. People have been impacted through the prophetic word, words of knowledge and many have testified to being set free from anxieties and fears.

We continue to praise God for the individuals and churches that are showing interest in supporting and being involved with our work in Kenya. If you are interested in receiving details of all that is happening there, along with all the support opportunities, please contact us.

There are several opportunities where people can partner with us at Power & Light Ministries, as we continue to develop and increase our influence into churches and nations:

1. Prayer Partnership – people committed to praying daily for us.
2. Financial Partnership – regular commitment to give financially to support the running of PALM and our vision.
3. Specific Missions Partnership – such as the Kenya Missions Trip.
4. Specific Project Partnership – such as supporting the Siritanyi Children's Orphanage in Bungoma, Kenya.

For further information on these areas please feel free to contact us at [admin@johncairns.org](mailto:admin@johncairns.org).

As you will see from the itinerary below I head off this week on a round the world trip, ministering in the USA, England and France. Over the last week I have been battling an ear and throat infection, but praise God that I am now on the road to recovery! Many meetings and activities are planned for my trip so I would appreciate prayer for great health, strength and wisdom as I minister in various situations. Heather will be flying into England in October to meet me which will be her first overseas trip for a couple of years.

**Please inform us if you have an email address as this will enable us to maintain regular and better contact with you.**
