AUGUST & SEPTEMBER 2006, NEWS UPDATE

Greetings in the mighty name of Jesus. Trust this finds you well and enjoying the blessings of the Lord. Over the past few weeks I have ministered in Sydney, Horsham, Melbourne and the Philippines.

The Lord has ministered powerfully in all the meetings and it has been wonderful to see how many have been freed and many have made fresh commitments to serve the Lord. Numerous testimonies have been received from people who have been set free from both physical and emotional bondages. There has also been a great flow of prophetic ministry.

My time in the Philippines was powerful. I had a blessed time ministering to 60 staff from a Christian school, to pastors and leaders, and at nightly outreach meetings. Many pastors shared how they had been blessed, challenged and re-envisioned. Some had been thinking to leave the ministry but had been so encouraged by the preaching and ministry that they felt ready and equipped to rise to the new challenges. In the nightly outreach meetings several first time visitors to the church gave their lives to the Lord and many others were born again. Testimonies were received of people being healed from shoulder pain, back pain and eye problems. In one meeting we were overwhelmed by the "waves" of the Holy Spirit. It was electrifying to see people jumping, shouting, dancing and praising as the Holy Spirit moved around the hall. Hundreds responded to this flow of the Holy Spirit with bodies everywhere and many kneeling in His presence.
