DECEMBER 2006 & JANUARY 2007

NEWS UPDATE

Greetings in the mighty name of Jesus from Melbourne. We trust this finds you well and enjoying the blessings of the Lord in every area.

The first week of November I ministered in Malaysia and over the past three weeks have been ministering around Melbourne. There have been so many powerful meetings where the Lord has touched people in a very direct and dynamic way. Many people have been saved, including five first time church visitors in one meeting and a Hindu woman in another meeting. There have been numerous people making fresh commitments to the Lordship of Jesus.

In all of the meetings the Holy Spirit has ministered powerfully with many words of knowledge and prophecies flowing. Many have shared how the words have spoken specifically into situations. One young man was overwhelmed as a prophetic word to him was almost word for word what had been spoken by a prophet several months before.

Praise God for the many testimonies received of people receiving physical healing, with pain leaving many bodies and shoulders, necks and limbs freed from immobility. Testimonies were also received of eyes being healed and internal organs beginning to function normally again. Many people have also been freed from various fears, some of which had been controlling lifestyles in various ways. We serve an Awesome God!

Kenya Prayer & Fast
Fire & Rain Christian Centre, Rosebud

Our plans for the mission's trip to Kenya in 2007 continue to proceed well and if you would like further information, please do not hesitate to contact us.

As I travel several people ask if we are able to accept manual credit card payments and gifts, but at this stage we are unable to do so. However, payment for resources and donations can be made online through Paypal (including credit card payments) and further information can be found at our website www.johncairns.org

Praying the Lord will continue to richly bless you over the Christmas and New Year period and that you will know His joy and peace.
