FEBRUARY 2007 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust that the New Year has started well for you and that you are enjoying the blessings of the Lord in every area of your life. In the early part of January Heather and I were able to get a few days break in Ballarat, a tourist town in Victoria, and also spend a few days in Cairns at the "top" end of Queensland.

I have also been meeting with leaders and ministering with churches around the Melbourne area. Praise God for the wonderful flow of the Holy Spirit. There have been many powerful words of knowledge and prophecies. People have been responding to the challenge by the Holy Spirit to live in a new place of breakthrough, and testimonies have been received of people being set free from fear and anxiety. Several people have recommitted their lives to the Lord and we have also prayed with numerous people needing physical healing.
