

Kenya Mission Trip

March 20 - March 30, 2007

Kenya is located in East Africa and lies across the equator. Neighbouring countries are Tanzania to the south, Uganda to the west, Sudan to the northwest, Ethiopia to the north and Somalia to the east.

Capital:
Nairobi

Population:
In 2004 the estimated population was 32,021,856

Ethnic Groups:
Kikuyu 22%, Luhya 14%, Luo 13%, Kalenjin 12%, Kamba 11%, Kisili 6%, Meru 6%,
Other African 15%, Non African (Asian, European, Arab) 1%

Religions:
Protestant 38%, Roman Catholic 38%, Indigenous beliefs 26%, Muslim 7%, Other 1%

Languages:
English (official), Kiswahili (official), numerous indigenous languages

From March 20 - March 30, 2007 a small team of people, led by John Cairns, will again be running a conference in Khulwanda, close to Bungoma, in Kenya's Western region, a short distance from the Ugandan border.

The team will be running a leadership conference during the days, ministering to hundreds of pastors and leaders, and holding public meetings each night, believing to see hundreds saved, delivered and healed. On the last visit people came from every church and denomination in the region, and every church has seen numerical and spiritual growth since the visit. Many were saved and healed as God moved powerfully to touch lives. Over 500 pastors and leaders attended the week long training and time of equipping in 2006. They were joined at the night meetings by hundreds more people.

The Team are again raising their own airfares and accommodation costs, and also helping to bring many of the pastors to the conference. US \$3 a day can feed and provide accommodation for one pastor / leader to attend the conference, which will train and equip them to reach their villages and cities for the Lord.

Each pastor / leader can travel to the venue for just US \$10, round trip. Many are planning to ride or hike just to be able to attend this conference. Praise God for the sound equipment, tent and generator that are already there, provided by financial gifts from faithful people like you.

How can YOU help?

Please, PRAY! As the team of 2006 discovered, there are mosques strategically built at the radius of 5km from one another across the area where the meetings are being held. The 2006 Missions trip saw many Muslims giving their lives to the Lord Jesus Christ. This region has the highest AIDS rate and highest amount of infected water. Prayer, before and during the conference is **vital**.

Please pray for the Lord to meet all the costs involved. Pray for the Team as they plan their visit, and pray that they will know great health and provision in all areas. Pray for the organisers to successfully oversee all areas of planning. Pray for the hundreds of pastors and leaders who will be trained, equipped and encouraged to achieve great things for God. If you feel to stand with us in regular prayer, up to and including the Conference time, please let us know so we can keep you informed of all developments

Secondly, we would love you to join with us in reaching the country of Kenya, through financial support. We are including a form with this brochure which details how you can give to help impact the nation of Kenya.

US\$3 will help pay the expenses of one pastor for a day, US\$15 will pay for the five days s/he attends the conference. The airfares of the Team will be around Aus \$2800 per person. Team accommodation will be around Aus \$2000. Costs to help bring pastors and leaders will run into thousands of dollars. We have a big budget but we serve a **MIGHTY** God who will meet all our needs.

Please pray and see how the Lord would have you to be a part of this ministry to Kenya. **Together** we can impact thousands of people for the Lord.

With thanks for your support,

John Cairns
On behalf of the Team
