MARCH 2007 NEWS UPDATE

Greetings in the mighty name of Jesus. We trust that the year is going well for you and you are enjoying the blessings of the Lord in every area of your life.

In the first half of February I have ministered around Melbourne. Praise God for people saved and many people recommitting their lives to the Lord. There has been a good flow of prophetic ministry with several sharing how the Lord affirmed and directed through the prophetic. One young lady received a powerful emotional release, with even her facial appearance changing. Many have received prayer for healing and been touched by the Lord. Testimonies have been received from people whose lives have been dramatically impacted by the power of the Holy Spirit.

I am presently ministering in New Zealand where the Lord is doing great things. We will give you a more detailed update in the coming weeks.
